

2018-2019 SERVICE PLAN

INTEGRATING THE MARINA
ARTS DISTRICT AND GREATER
DOWNTOWN CORPUS CHRISTI

Who We Are

The **Corpus Christi Downtown Management District (DMD)**, established in 1993, is a professional Downtown management district representing property owners and stakeholders within the area bounded by Kinney Street to I-37, and Lower Broadway to the Corpus Christi Marina L and T-Heads. In 2013, the property owners voted to renew the district through 2023. In 2015, DMD led stakeholders through a branding process naming this destination as the **Marina Arts District** while retaining DMD to refer to the organization and the programs and services we provide.

About This Plan

The DMD has spearheaded tremendous activity in the past few years that will now transition to sustainable and dependable operations. In partnership with City of Corpus Christi, Tax Increment Reinvestments Zone (TIRZ), collaborating organizations and stakeholders, DMD will continue to provide the revitalization services described in this plan to the Marina Arts District and Greater Downtown Area that create a vibrant, attractive environment to invest, locate a business, visit, live, work and play. (The Greater Downtown Area is defined in the TIRZ Scope of Service and generally includes: Marina Arts District, SEA District, Uptown, Water's Edge and the Medial District).

Funding for the services are provided by a public private partnership that includes the Downtown Management District levy, TIRZ, stakeholder investments and memberships, sponsorships, grants and event revenue.
